The scope of workers included all types at the site e.g. direct employees, agency workers, workers employed by service providers and workers provided by other contractors. Any deviations from the SMETA Methodology are stated (with reasons for deviation) in the SMETA Declaration.

(2) The audit scope was against the following reference documents

### 2-Pillar SMETA Audit

- ETI Base Code
- SMETA Additions
- Universal rights covering UNGP
- Management systems and code implementation,
- Responsible Recruitment
- Entitlement to Work & Immigration,
- Sub-Contracting and Home working,

### 4-Pillar SMETA

- 2-Pillar requirements plus
- Additional Pillar assessment of Environment
- Additional Pillar assessment of Business Ethics
- The Customer's Supplier Code (Appendix 1)

(3) Where appropriate non-compliances were raised against the ETI code / SMETA Additions & local law and recorded as non-compliances on both the audit report, CAPR and on Sedex.

(4) Any Non-Compliance against customer code shall not be uploaded to Sedex. However, in the CAPR these 'Variances in compliance between ETI code / SMETA Additions/ local law and customer code' shall be noted in the observations section of the CAPR.

*Note: The focus of this ethical audit is on the ETI Base Code and local law. The additional elements will not be audited in such depth or scope, but the audit process will still highlight any specific issues.*

*This report provides a summary of the findings and other applicable information found/gathered during the social audit conducted on the above date only and does not officially confirm or certify compliance with any legal regulations or industry standards. The social audit process requires that information be gathered and considered from records review, worker interviews, management interviews and visual observation. More information is gathered during the social audit process than is provided here. The audit process is a sampling exercise only and does not guarantee that the audited site prior, during or post-audit, are in full compliance with the Code being audited against. The provisions of this Code constitute minimum and not maximum standards and this Code should not be used to prevent companies from exceeding these standards. Companies applying this Code are expected to comply with national and other applicable laws and where the provisions of law and this Code address the same subject, to apply that provision which affords the greater protection. The ownership of this report remains with the party who has paid for the audit. Release permission must be provided by the owner prior to release to any third parties.*

**1: Freely Chosen Employment**  
[\(Click here to return to NC-table\)](#)

**ETI**

- 1.1 There is no forced, bonded or involuntary prison labour.
- 1.2 Workers are not required to lodge "deposits" or their identity papers with their employer and are free to leave their employer after reasonable notice.

**Current Systems and Evidence Examined**

To complete 'current systems' Auditors examine policies and written procedures in conjunction with relevant managers, to understand, and record what controls and processes are currently in place e.g. record what policies are in place, what relevant procedures are carried out, who is/are responsible for the management of this item of the code. Evidence checked should detail any documentary or verbal evidence shown to support the systems.

**Current systems:**

VERDIMED SAU has a total of 327 workers in this moment, being 191 as permanent.

Through interviews was demonstrated that the employees are free of leave the job when working time is over and if they have any personal issue they can absent without problem.

The workers carry out their hours correctly as is defined in his contract labour.

There are no clauses in the employment agreement which would restrict workers from leaving at the end of their shift. Most of workers are working in the company since a lot of years ago.

**Evidence examined – to support system description (Documents examined & relevant comments. Include renewal/expiry date where appropriate):**

**6: Working Hours are not Excessive**

[\(Click here to return to NC-table\)](#)  
[\(Click here to return to Key Information\)](#)

**ETI**

6.1 Working hours must comply with national laws, collective agreements, and the provisions of 6.2 to 6.6 below, whichever affords the greater protection for workers. Sub-clauses 6.2 to 6.6 are based on international labour standards.

6.2 Working hours, excluding overtime, shall be defined by contract, and shall not exceed 48 hours per week.

6.3 All overtime shall be voluntary. Overtime shall be used responsibly, taking into account all the following: the extent, frequency and hours worked by individual workers and the workforce as a whole. It shall not be used to replace regular employment. Overtime shall always be compensated at a premium rate, which is recommended to be not less than 125% of the regular rate of pay.

6.4 The total hours worked in any 7-day period shall not exceed 60 hours, except where covered by clause 6.5 below.

6.5 Working hours may exceed 60 hours in any 7-day period only in exceptional circumstances where **all** of the following are met:

- this is allowed by national law;
- this is allowed by a collective agreement freely negotiated with a workers' organisation representing a significant portion of the workforce;
- appropriate safeguards are taken to protect the workers' health and safety; and
- The employer can demonstrate that exceptional circumstances apply such as unexpected production peaks, accidents or emergencies.

6.6 Workers shall be provided with at least one day off in every 7-day period or, where allowed by national law, 2 days off in every 14-day period.

**Current Systems and Evidence Examined**

To complete 'current systems' Auditors examine policies and written procedures in conjunction with relevant managers, to understand, and record what controls and processes are currently in place e.g. record what policies are in place, what relevant procedures are carried out, who is/are responsible for the management of this item of the code. Evidence checked should detail any documentary or verbal evidence shown to support the systems.

**Current systems:**

CBA indicate that total hour per year, 1826 hours and 1818 depending CBA Hours are recorded by fingerprint and records are kept in the ERP system.

Regular employment is provided by the company. Hiring process consists on an interview after a searching of candidate's through websites or by reception of CVs, and when candidate fit with employ, they sign a contract of them and conditions. As evidenced during interviews, contract has standard format of Spanish Government and accomplish with legal requirements.

Salaries are done according to Spanish labour law and CBA applied, and it is reflected in the signed contract. Contracts contain working conditions (work time, labour days, category on CBA and salary showed on CBA, remunerations and pluses...), and type and duration of contract.

Each worker keeps a copy of their signed contract. The company pays the social insurance and all legal requirements.

No evidence of Homework or apprentices was found either.

**Evidence examined – to support system description (Documents examined & relevant comments. Include renewal/expiry date where appropriate):**

Details: Document review (personnel files and labour contracts) and worker declarations.
